MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX® BUBBLE SPA Model SL503

WARNING

- For adult use only. This product is not a toy, keep away from children.
- Do not stare directly at the light emitted by this product.
- Do not replace the batteries while in the pool or spa.
- Do not sit, straddle, or step on the product.
- Do not dispose of the batteries in regular trash, municipal waste stream or by fire as battery may leak or explode. Always dispose of the batteries safely in accordance with your local law and regulations.
- Never recharge non-rechargeable batteries.
- Do not short-circuit the terminals of the battery or rechargeable battery.

FOLLOW THESE RULES AND ALL INSTRUCTIONS TO AVOID INJURY OR PROPERTY DAMAGE.

General information:

- This product operates on three (3) replaceable AAA size batteries (not included).
- Alkaline batteries are recommended. Rechargeable batteries are okay to use.
- Remove batteries if light is not to be used for an extended period of time.
- Do not mix old and new batteries. Do not mix alkaline, standard (Carbon - Zinc), or rechargeable (Nickel - Cadmium) batteries.
- Dry any water on the product prior to battery installation. Remove used batteries promptly. Replace all 3 batteries at the same time.
- Always purchase the correct size and grade of battery most suitable for the intended use. Ensure batteries are installed correctly with regard to polarity (+ and -). Clean the battery contacts and also those of the device prior to battery installation.
- To clean the product, use only a damp cloth. Avoid strong cleaner, excessive water and abrasive brush.
- If leaking battery liquid (electrolyte) comes in contact with skin, wash immediately with soap and water or neutralize it with vinegar or lemon juice. In case of contact with eyes, rinse immediately with plenty of water for 10 minutes and seek medical advice.
- The light source of this appliance is not replaceable; when the light source reaches its end of life the whole appliance shall be replaced.
- Store the product indoors when not in use.

SAVE THESE INSTRUCTIONS

Parts reference:

REF. NO.	DESCRIPTION	QTY.	SPARE PART NO.
1	BATTERY HOUSING COVER WITH O-RINGS	1	12409
2	BATTERY HOLDER	1	12410
3	SPA LED LIGHT	1	12411

Due to a policy of continuous product improvement, Intex reserves the right to change specifications and appearance, which may result in updates to the instruction manual without notice.

To install or replace batteries:

1. Dry product completely. Unscrew the battery housing cover (1) from the Spa LED light (see Fig 1). Be careful not to lose the two o-rings on the battery housing cover.
2. Insert 3 AAA size batteries following the orientation shown on the battery holder (2) (see Fig 2).

3. Reinstall the battery holder (2) into the LED light body according to the orientation (see Fig 3).
4. Securely tighten the battery housing cover (1) by hand only (see Fig 4).

SAVE THESE INSTRUCTIONS

5. Screw the Spa LED light onto the Spa tub upper outlet grid fitting, hand tighten only (see Fig 5).

Note: Do not allow water to get inside the battery compartment, which can damage the product and void the warranty.

Operation instructions:

- **Left button:** turns the light ON and OFF, and sets the light in solid color flood mode.

Press left button	Once	Twice	3 times	4 times	5 times	6 times
Color	Soft white	Green	Teal	Blue	Purple	OFF

- **Right button:** turns the light ON and OFF, and sets the light in changing-color mode. Press twice to turn off.
- When the light is on, press and hold any button for 3 seconds to turn off the light.
- After 2 hours of continuous use, the device will automatically switch off to save energy.

Troubleshooting guide:

Q. What should I do if the product does not light up?

- A.**
1. Check the battery holder to ensure 3 AAA batteries are installed correctly with regard to polarity (+ and -).
 2. Check that the battery holder and housing cover are snug (hand tightened).
 3. Replace the batteries.

Q. What should I do if the light emitted by this product is too weak?

- A.**
1. Clean outside surface of the light housing using a soft damp cloth. **Note:** the light housing is an optical component, to avoid any scratches do not use any hard or abrasive rag to clean it.
 2. Replace all batteries with 3 new AAA batteries.

Q. What should I do if the light is flashing rapidly?

- A.** Replace the batteries.

Limited Warranty

309
IO

Your MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA has been manufactured using the highest quality materials and workmanship. All Intex products have been inspected and found free of defects prior to leaving the factory. This Limited Warranty applies to the MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA only.

This limited warranty is in addition to, and not a substitute for, your legal rights and remedies. To the extent that this warranty is inconsistent with any of your legal rights, they take priority. For example, consumer laws across the European Union provide statutory warranty rights in addition to the coverage you receive from this limited warranty: for information on EU-wide consumer laws, please visit the European Consumer Center website at http://ec.europa.eu/consumers/ecc/contact_en/htm.

The provisions of this Limited Warranty apply only to the original purchaser and are not transferable. This Limited Warranty is valid for a period of one (1) year from the date of the initial retail purchase. Keep your original sales receipt with this document, as proof of purchase will be required and must accompany warranty claims or the Limited Warranty will be invalid.

If you find a manufacturing defect in the MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA during the warranty period, please contact the appropriate Intex Service Center listed in the separate "Authorized Service Centers" sheet. If the item is returned as directed by the Intex Service Center, the Service Center will inspect the item and determine the validity of the claim. If the item is covered by the provisions of the warranty, the item will be repaired or replaced, with the same or comparable item (at Intex's choice) at no charge to you.

Other than this warranty, and other legal rights in your country, no further warranties are implied. To the extent possibly in your country, in no event shall Intex be liable to you or any third party for direct or consequential damages arising out of the use of your MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA, or Intex or its agents' and employees' actions (including the manufacture of the product). If your country does not allow the exclusion or limitation of incidental or consequential damages, this limitation or exclusion does not apply to you.

You should note that this limited warranty does not apply in the following circumstances:

- If the MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA is subject to negligence, abnormal use or application, accident, improper operation, improper voltage or current contrary to operating instructions, improper maintenance or storage;
- If the MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA is subject to damage by circumstances beyond Intex's control, including but not limited to, ordinary wear and tear and damage caused by exposure to fire, flood, freezing, rain, or other external environmental forces;
- To parts and components not sold by Intex; and/or.
- To unauthorized alterations, repairs or disassembly to the MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA by anyone other than Intex Service Center personnel.

Injury or damage to any property or person is not covered by this warranty.

Read the owner's manual carefully and follow all instructions regarding proper operation and maintenance of your MULTI-COLORED BATTERY OPERATED LED LIGHT FOR INTEX BUBBLE SPA. Always inspect your product prior to use. This limited warranty will be void if use instructions are not followed.
